## **New Egypt Speedway**

### **Cards Opening Night**

**NEW EGYPT**—Gala 1953 opening of the **New Egypt Speedway** will take place tonight at 8 o'clock. The rain date is tomorrow night. Frank Myroncuk, president of the Stock Car Association, has announced that everything is in readiness for the opening. The track management has installed 36 new 1,500-watt lamps for the lighting of the track. There also are lights for the stands, parking lots and pits.

There will be seven races, including a 25-lap feature. General Manager Anthony (Tony) Flach stated that this is an open track for all sportsmen and stock cars. During intermission tonight there will be a display of fireworks for entertainment.

### **Eastern League**

Schenectady 3, Williamsport 1 (10 innings).

Reading 6, Albany 3.

Binghamton 4, Wilkes-Barre 1.

Elmira at Scranton, postponed.

# **Harris Victor At New Egypt**

**NEW EGYPT—**Dave Harris of Lakewood won the feature 25-lap stock car race at the New Egypt Speedway. Harris took the lead in the seventh lap and held on to the finish, beating John Anghenbough and Horace Smith Jr.

The hard luck driver of this race was "Brother" Goff. He was running third for 22 laps and then spun out on the fourth turn, finishing ninth in the feature race.

## Home Town Speedster Wins

Ike Cottrell of New Egypt is one home town speedster who made good in a big way . . . Cottrell won the 50-lap mid-Summer championship stock car race at the **New Egypt Speedway** . . . Jack Stackhouse of Hightstown led for 47 laps but then developed engine trouble and Cottrell took over to win . . . Stackhouse managed to finish second and Jim Moschen of New Egypt was third . . . The co-feature, a 25-lap affair, also went to a New Egypt driver, "Stubby" Stevens . . . Cottrell placed second and Moschen third to round out a New Egypt sweep of this event.

## Stackhouse Winner

Jack Stackhouse of Hightstown won the 25-lap feature stock car race at New Egypt Speedway. Tony Voltz of Willow Grove, Pa., was second and Jim Moschen, New Egypt, third. Jack Wingard, Trenton, suffered a hand injury when his car overturned.

8-24-54

## Dave Harris Captures Feature At New Egypt

Dave Harris of Lakewood won the 25-lap feature stock car race at **New Egypt Speedway**. Jack Stackhouse of Hightstown finished second and Ed Seigler of Fort Monmouth third.

## **Harris Wins Stock Race At New Egypt**

The combination show of stock and midget cars at the New Egypt Speedway was a huge success.

Dave Harris of Lakewood won the feature 25 lap stock car race and Red Marlowe of Long Island won the 25 lap feature 3/4 midget race.

Harris started in the rear of the field and battled his way up to win going away. Marlowe also started in the rear but he had a much harder time in winning. Chuck Arnold battling him to the finish. Steve McGrath, top midget driver and Indianapolis driver, tangled with Tony Martino in the second turn of the feature and turned completely over, pinning McGrath under the car. Other drivers quickly lifted his car and Steve scrambled out unhurt as did his car. He completed the race after the restart.

**New Egypt Speedway**

**To Open Tonight**

The racing season at the New Egypt Speedway gets under way tonight with an evening of stock car racing on tap. The first race over the one-quarter-mile macadam track is listed to start at 8 p. m.

Improved facilities, including parking and lighting, have been added to the track.

The track has become affiliated with NASCAR, the largest association of stock car racing in the country. Some of the best NASCAR drivers in the country are expected to compete at New Egypt this year.

5/1/55

## New Egypt Speed Card Set Sunday

New Egypt Speedway's third stock car program of the season is set for Sunday night, starting at 8 o'clock. Joe Bossard, the flying sailor from Little Falls, N. J. will try to repeat his feature race win of last Sunday night. As usual, Bossard and other North Jersey speedsters will face keen competition from New Egypt drivers.

The Ocean County contingent includes the Moschera brothers, Augie and Jim; Frank Myroncuk and "Stubby" Stevens. Augie Moschera finished second to Bossard in last week's main event.

New Egypt Speedway is operating under the NASCAR banner this year for the first time. Stock car fans evidently favor the tieup with President Bill France's National Association of Stock Car Auto Racers. Attendance has been good at both programs to date.

Bossard scored a "double" last weekend, winning at Roosevelt Stadium, Jersey City, the night before his New Egypt triumph. The Jersey City feature race was featured by a near fist fight between Mike Rubino and Walt Tompkins. Rubino's car crashed into the fence and was followed by a four-car pileup. Rubino accused Tompkins of "fencing" him and the pair started swinging fists. Officials soon separated them and restarted the race. Rubino is expected to be among the 25 or 30 New Egypt entries Sunday night.

Track Manager Anthony Flach will make a special trip to Jersey City tomorrow night to double check the North Jersey entries on Sunday's night's New Egypt card. Frank Coman and Jack Bellinotta are among the well-regarded North Jerseyans who have indicated that they will try to prevent Bossard from monopolizing the winner's circle.

## Stock Car Race Card At New Egypt Tonight

**NEW EGYPT** — The third NASCAR stock car race program of the season at New Egypt Speedway will take place tonight, starting at 8 o'clock under the lights.

Joe Bossard of Little Falls, N. J., will try to repeat his feature triumph of last Sunday night. He can expect plenty of competition, however, from other North Jersey entries and from an Ocean County contingent headed by Frank Myroncuk and the Moschera brothers, Augie and Jim, of New Egypt.

**Augie Moschera**

# New Egypt Pilots Seek Point Leads

**NEW EGYPT**—Fans from New Egypt and surrounding areas have plenty of cause for cheer every Sunday night at the quarter-of-a-mile New Egypt Speedway. A half-dozen or more home town drivers are more than holding their own against the best NASCAR stock car pilots from the rest of New Jersey.

New Egypt Speedway will offer its 11th speed program of the season tonight, starting at 8 o'clock. In the thick of the competition on the macadam-topped oval will be the Moschera brothers, Augie and Jim; Frank Myroncuk, Howard (Stubby) Stevens, Ike Cottrell and Horace Smith, all of New Egypt, and Otha Johnson of nearby Horners-town.

## Keen Point Races

Until a week or so ago the two Moschera boys were topping the NASCAR point races—Jim in the sportsman division and Augie among the drivers of modified stock cars. Frank Coman of Pequannock, N. J., now has edged ahead of Jim Moschera in the sportsman group. And Stevens is engaging Augie in an all-New Egypt battle for modified car laurels.

Myroncuk, president of the New Egypt Stock Car Drivers Association, has been plagued with poor racing luck recently at his home track. Accidents and motor trouble have prevented Frank from keeping pace with the other point seekers. However, Myroncuk won two features early in the season and is second on the point list at Wall Stadium, Belmar.

New Egypt's last two features have been won by Dave Harris, Point Pleasant, and Don Allison, Philadelphia.

Tonight's card will consist of the usual three qualifying heats, two semi-finals, a consolation event and the 25-lap feature race.

7/31/55

5/20/55

## Second Win For Bossart At New Egypt

NEW EGYPT — Joe Bossart, the speeding sailor from Little Falls, N. J., scored his second straight New Egypt Speedway feature race win last night. Bossart negotiated the 25 laps around the quarter-mile racing strip in 7:01.21 for a new track record for this season. Bossart clipped almost seven seconds off his winning 7:08 time of the previous week.

Lenny Gould, Newark, manipulated his stock car to second place in last night's feature. Jimmy Moschera of New Egypt was third.

A spectacular crash occurred during the first lap of the feature. A car driven by Harry Simons turned over twice but the driver escaped injury. The race was restarted.

Fran Steinmetz of New Egypt, Gould and Dave Harris of Lakewood were heat winners. Steinmetz and Frank Coman of Jersey City won the semi-finals.

The fourth stock car program of the New Egypt Speedway season will be presented this coming Sunday, starting at 8 p. m.

5/16/55

## Season's Fourth Card At New Egypt Sunday

The fourth stock car racing program of the New Egypt Speedway season will be offered Sunday night, starting at 8 o'clock under the lights. Joe Bossart of Little Falls, N. J., is expected to try for his third straight feature race victory.

## 3d Race Win Bossart Goal At New Egypt

A third feature race victory in a row will be Joe Bossart's goal tonight at New Egypt Speedway. The fourth NASCAR-sanctioned stock car program of the New Egypt season will be presented under the lights, starting at 8 o'clock.

Bossart, a former sailor, hails from Little Falls, N. J. His car, the Patty Poppola Special, has set new track records the past two Sunday nights at New Egypt. Joe also has won a main event at Roosevelt Stadium, Jersey City.

Track Manager Tony Flach announces that there will be plenty of competition for Bossart—both from North Jersey and from Ocean County's own speed delegation.

5/22/55

# Myroncuk Scores Sweep At New Egypt Speedway

NEW EGYPT — Home town driver Frank Myroncuk scored the season's first clean sweep at the New Egypt Speedway last night. In addition to winning the feature race, Myroncuk finished first in his heat and won the semi-final in which he participated. He drove the modified

Ford built by Wally Marks of Trenton.

The feature race had to be restarted twice because of spins and entanglements of cars. The drivers involved in the mishaps escaped injury.

Ocean County speedsters monopolized the first four place in the feature. Following Myroncuk across the finish line, in order, were Dave Harris of Lakewood, Howard (Stubby) Stevens of New Egypt and Augie Moschera, New Egypt. Thus New Egypt and Lakewood drivers took the first four places in spite of the presence in the race of such well-known North Jersey pilots as Lenny Gould, Frank Coman and Tony Battle.

Myroncuk, Stevens and Battle were the winners of the three heats on the program, Myroncuk and Battle won the two semi-finals. Otha Johnson of nearby Hornerstown won the consolation race.

Another stock car speed program will take place next Sunday night under the lights, starting at 8 o'clock.

## Bargain Bill At New Egypt

NEW EGYPT—Stock car racing fans at New Egypt Speedway will be treated to the bargain bill of the season this Sunday night. In addition to the customary seven events, there will be three extra races that were rained out this past Sunday night. The ten-event card will begin at 8 o'clock and will include a double feature.

Four events were run this past Sunday night before the rain made further racing impossible. Frank Myroncuk of New Egypt won the first heat, Stubby Stevens of New Egypt the second and Otha Johnson of Hornerstown the third. Myroncuk won the only semi-final that was staged. The other semi-final, the consolation and the feature were rained out and will take place this Sunday along with the seven regularly scheduled events.

5/23/55

5/31/55

# Ten-Event New Egypt Race Card

Ten events, including two feature races, will be offered to stock car fans Sunday night under the lights at New Egypt Speedway. The reason for this unusual bargain bill is the rain that took place last Sunday, May 29. Only four of the seven scheduled races were run. The other three have been added to this Sunday night's seven-event program.

Frank Myroncuk, New Egypt speedster, won the first heat and the only semi-final staged last week. Other heat winners were Howard (Stubby) Stevens, New Egypt, and Otha Johnson, Hornerstown. Yet to be run—as carryovers from May 29—are a second semi-final, a consolation race and a feature. In addition, the entire June 5 program—three heats, two semi-finals, a consolation and a feature—will be presented.

The starting time Sunday night will be 8 o'clock. The largest crowd of the season is expected by Anthony Flach, track manager.

Myronchuk, Stevens and Johnson head a contingent of New Egypt area drivers who are more than holding their own against NASCAR drivers from North Jersey. The only North Jerseyman who has been able to win a New Egypt feature this year has been Joe Bossart, the speeding sailor from Little Falls, N. J. Bossart is expected to be back Sunday night.

Others who usually race wherever NASCAR competition takes place in New Jersey include Tony Battle of Paterson, Jerry Moresco of Newark, Dick Sanford, Ray Cook, Bobby Doyle, Johnny Frank, Rudy Grenz, Lennie Gould, Bob Williams and Ralph Sheeler. Many of them are expected to check in with NASCAR Director Bob Sall at New Egypt Sunday night. Some of the most spirited competition ever to take place on the New Egypt track should be the result.

6/3/55

# Twin Feature Card Tonight At New Egypt

**NEW EGYPT** — Two feature races and eight other events are on the program for New Egypt Speedway stock car followers tonight. The bargain bill includes four more races than usual because of the rain that shortened last Sunday's card. The four events rained out last week have been added to tonight's six-race slate.

This unusual combination of events mean that two feature races will be offered tonight.

Frank Myroncuk, stellar New Egypt driver, was threatening to score his second grand slam of the season when rain intervened last week. Frank finished first in his heat and in the only semi-final staged. Earlier in the season he won a heat, a semi-final and the feature, all in the same night.

Ocean County and North Jersey drivers promise Myroncuk plenty of competition in tonight's ten events. Howard (Stubby) Stevens, New Egypt, and Otha Johnson, Hornerstown, are among the nearby speed pilots primed for action. The North Jersey contingent is expected to consist of Joe Bossart, Tony Battle, Jerry Moresco, Ray Cook, Dick Sanford, John Frank, Bob Doyle, Len Gould, Rudy Grenz, Ralph Sheeler, Bob Williams and others.

Tonight's first race will start at 8 o'clock.

6/5/55

# Eyes New Egypt Point Lead

**Jerry Morese**

6/9/55

Newark stock car speedster, Morese is shown holding the checkered flag after winning last week's feature race at New Egypt Speedway. Jerry is expected to be back under the New Egypt floodlights this coming Sunday night. He has his eye on the season's point

lead at the quarter-of-a-mile macadam track. Ahead of Morese in points are Frank Myroncuk, New Egypt, and Joe Bossart, Little Falls, N. J., each winner of two feature races this season. Sunday night's program at New Egypt Speedway will begin at 8 o'clock.

# New Egypt's 7th Program Set Tonight

**NEW EGYPT**—The quarter-of-a-mile macadam New Egypt Speedway track will be the scene of its seventh NASCAR program of the season tonight. The seven-event stock car speed card will begin at 8 o'clock.

New Egypt presents stock car racing every Sunday night under the lights. There seldom is a postponement because racing is possible on the hard top surface during a light rain or within a few minutes after heavy rainfall. Last Sunday, for instance, there was a hailstorm in the late afternoon. The scheduled program took place the same night without any curtailment.

## Morese In Point Race

Newark's Jerry Morese, winner of last week's 25-lap feature race, has projected himself into the thick of the New Egypt battle for season's points. The point leaders, of course, are Frank Myroncuk of New Egypt and Joe Bossart of Little Falls, N. J. Bossart won two straight features early in the season. Myroncuk has registered grand slams on two different cards, winning his heat,

one semi-final and the feature.

Myroncuk is one of four New Egypt drivers who have been more than holding their own against invading speed talent. The other three are the Moschere brothers, Jim and Augie, and the colorful Howard (Stubby) Stevens. Another constant threat is Otha Johnson of Hornerstown.

Stevens started far back in the pack in the consolation race last Sunday night. Despite this handicap, "Stubby" overhauled every car in front of him and copped first prize in the consolation event.

## Seven Events On Card

NASCAR Director Bob Sall, Starter Howard Warren and Track Manager Anthony Flach are planning the usual action-packed program tonight. There will be three heats, two semi-finals, a consolation race and the 25-lap feature. The consolation involves cars that fail to qualify in any of the heats or semi-finals.

Among the stock car pilots expected to compete tonight, in addition to Morese and the New Egypt contingent, are: Lenny Gould, Newark, leader of the New Jersey State sportsmen stock car championship; Lambert Parks, Riverside; Ralph Sheeler, Paterson; Jack Hart, Chester, Pa.; Walt Tompkins, Elizabeth, N. J.; John Tiesi, Roebling, N. J.; Eddle Judge, Kearny; Bill Dougherty, Palmyra; Dave Harris, Lakewood, and Frank Coman, Pequannock, N. J.

6/12/55

## New Egypt Speedway

### Races Are Rained Out

Rain last night stopped the seventh program of the stock car speed races at the New Egypt Speedway track. Seldom is there a postponement at the New Egypt track, but the heavy rainfall made the macadam top too slippery for use. Regularly scheduled programs for stock car racing take place every Sunday night during the Summer season at New Egypt Speedway.

6/13/55

## 3d Win Goal Of Myroncuk At New Egypt

NEW EGYPT — Frank Myroncuk, point leader at the New Egypt Speedway, will seek his third feature race win of the current season Sunday night. Racing will resume at the quarter-of-a-mile macadam track Sunday at 8 o'clock. Last week's scheduled program was rained out.

Of seven feature races held this year, Myroncuk and Joe Bossart of Little Falls, N. J., have won two each. Myroncuk is the leader in points because he has placed more often than Bossart. Another stern threat in the NASCAR point chase is Jerry Morese of Newark, winner of the 25-lap main event two weeks ago.

Myroncuk heads a speedy New Egypt contingent of drivers. Other home town threats are Howard (Speedy) Stevens and the Moschera brothers, Jimmy and Augie.

Track Manager Anthony Flach expects a record turnout of cars for Sunday night's card, the seventh of the New Egypt season.

6/17/55

## New Egypt Racing Set For Tonight

NEW EGYPT — Stock car racing will resume tonight at 8 o'clock under the lights at New Egypt Speedway. Frank Myroncuk, New Egypt speedier, will defend his season's point lead against a classy field of invading drivers and rivals from nearby points.

Myroncuk has chalked up two grand slam performances on the quarter-of-a-mile macadam track this season. On both of these occasions Frank won his heat, one semi-final and the 25-lap feature. Two weeks ago, however, Myroncuk had to be content with a fourth place finish. Jerry Morese of Newark was the winner with New Egypt's Jimmy Moschera second and Paterson's Ralph Sheeler third.

### Pair Of Stern Threats

Morese and Joe Bossart, the flying sailor from Little Falls, N. J., are stern obstacles in Myroncuk's path to the NASCAR point championship. Bossart copped two features early in the New Egypt season. Joe also holds the track record for 25 laps.

Track Manager Anthony Flach expects a classy field to line up for tonight's program of three heat races, two semi-finals, a consolation event and the 25-lap main event.

New Egypt Speedway presents racing every Sunday night during the outdoor season. There seldom is a postponement because the hard top track makes it possible to run a few minutes after a rain storm.

6/19/55

## **New Egypt Speedway**

### **Rained Out 2d Time**

NEW EGYPT — The scheduled stock car races at New Egypt Speedway were rained out last night—the second straight rainout for the New Egypt track.

Several new drivers were on hand, eager to resume action on the quarter-of-a-mile macadam surface oval. Among the newcomers were Ike Cottrell and Horace Smith, both of New Egypt and both ready to drive brand new cars. However, the rain made it necessary for them and the others to wait until next Saturday night at 8 o'clock.

6/20/55

### **New Egypt Race Card Set For Sunday Night**

NEW EGYPT — Stock car racing will resume Sunday night under the New Egypt Speedway floodlights—weather permitting. Scheduled programs last Sunday and the week before were rained out. Drivers and speed fans are hoping for a clear night this Sunday.

Two drivers with new cars—Horace Smith and Ike Cottrell—are anxious to test their machines in competition. They'll have their chance when Sunday night's first event gets under way at 8 p. m.

6/21/55

### **Racing Card At New Egypt Sunday Night**

Racing will resume at New Egypt Speedway's quarter-of-a-mile macadam track Sunday night. The first race of the seven-event card will start at 8 o'clock. It will be the first New Egypt stock car action in three weeks. Programs set for June 12 and 19 were rained out.

Frank Myroncuk, Joe Bossart and Jerry Morese are the three leaders in NASCAR points at the track. They are expected to be in action Sunday night along with a flock of other cars. Two newcomers to this year's competition are Ike Cottrell and Horace Smith, both of New Egypt. They had their new cars ready for action last week but the rain forced them to wait until this coming Sunday night.

Cottrell and Smith will join a New Egypt area speed contingent that also includes Myroncuk, Howard (Speedy) Stevens, Otha Johnson and the Moschera brothers, Augie and Jimmy. These boys have been making a splendid showing against the many North Jersey drivers who visit New Egypt Speedway every Sunday night during the outdoor season.

6/24/55

# New Egypt Stock Cars Vie Tonight

**NEW EGYPT** — Stock car racing will resume tonight at New Egypt Speedway for the first time since June 5. Scheduled NASCAR programs on the 12th and 19th were rained out. Track Manager Anthony Flach anticipates a record turnout of cars for tonight's renewal of activity on the quarter-of-a-mile macadam oval.

Frank Myroncuk, point leader for the season, will be one of several Ocean County speedsters in action on tonight's card. Others from the New Egypt area include the Moschera brothers, Augie and Jim; Howard (Stubby) Stevens, Otha Johnson, Ike Cottrell and Horace Smith. Cottrell and Smith will be making their first 1955 starts.

Heading the contingent of invaders will be Jerry Morese of Newark, winner of the 25-lap feature on June 8. Jerry hopes to make it two straight at New Egypt and thereby gain on Myroncuk in the point chase.

Joe Bossart, speeding sailor from Little Falls, N. J., won two straight features early in the season. He also holds the track record. Should he return to action tonight, along with Morese and Myroncuk, New Egypt Speedway fans would be treated to the "battle of the season" on the hard top track.

New Egypt Speedway regulars expected to check in tonight include Lambert Parks of Riverside, Lenny Gould of Newark, Ralph Sheeler of Paterson, Jack Hart of Chester, Pa., and Johnny Tiesl of Roebling.

Numerous others from North Jersey are also expected.

Starter Howard Warren will send the first heat race on its way at 8 o'clock. Three heats, two semi-finals and a consolation race will be contested before the 25-lap feature event takes place.

# Coman Cops New Egypt Main Race

**NEW EGYPT** — Frank Coman of Pequannock, N. J., piloted his sportsman car to victory last night before the largest crowd of the New Egypt Speedway season. Coman finished in front of Howard (Stubby) Stevens, New Egypt speedster, who was at the wheel of a modified stock car. Coman and Stevens thereby chalked up 50 points each in the race for season's honors in the NASCAR-supervised competition.

## Myroncuk Car Damaged

Frank Myroncuk, season's point leader, had the misfortune to wreck his car in the first event of the evening. Swerving to avoid another car on the track, Myroncuk crashed the fence. His car was damaged extensively.

Coman won his first feature race of the New Egypt season after trailing Bill Dougherty of Palmyra, N. J., for 23 laps. Dougherty's car then developed engine trouble and was forced out of the race. Coman won the 25-

Coman won his first feature race of the New Egypt season after trailing Bill Dougherty of Palmyra, N. J., for 23 laps. Dougherty's car then developed engine trouble and was forced out of the race. Coman won the 25-lap event with Stevens second, Jim Moschera of New Egypt third, Ike Cottrell of Egypt fourth and Len Gould of Newark fifth.

## The summaries:

**First Heat:** 1. Frank Coman, Pequannock, N. J.; 2. Len Gould, Newark; 3. Jim Hendrickson, Newark.

**Second Heat:** 1. Otha Johnson Hornerstown; 2. Ike Cottrell, New Egypt; 3. Dave Harris, Lakewood.

**Third Heat:** 1. Jim Moschera, New Egypt; 2. Bill Dougherty, Palmyra; 3. Dick Barnett, Jersey City.

**First Semi-Final:** 1. Gould; 2. Coman; 3. Lambert Parks, Riverside.

**Second Semi-Final:** 1. Dougherty; 2. Jim Moschera; 3. Jack Hart, Chester, Pa.

**Consolation Race:** 1. Dick Hoak, Paterson; 2. Dave Hulse, Lakewood; 3. Mike Rubino, Jersey City.

**Feature Event (25 laps):** 1. Coman; 2. Howard (Stubby) Stevens, New Egypt; 3. Jim Moschera; 4. Cottrell; 5. Gould.

6/26/55

6/27/55

# Racing Card Sunday Night At New Egypt

**New Egypt Speedway's** eighth stock car racing card of the season will be offered Sunday night under the lights surrounding the quarter-of-a-mile macadam oval. The first event will start at 8 o'clock.

Five different drivers have won New Egypt's seven feature races to date. Frank Myroncuk and Joe Bossart have won two each. The three who have won one 25-lap feature each are Howard (Stubby) Stevens, Jerry Morese and Frank Coman.

Sportsman and modified cars will tangle in the NASCAR-supervised competition.

7/11/55

## New Egypt Repeat Win Coman Goal

7/13/55

NEW EGYPT — Frank Coman of Pequannock, N. J., will be aiming for his second straight feature race victory tonight at New Egypt Speedway. Coman won last week's 25-lap feature at the wheel of a sportsman stock car. Howard (Stubby) Stevens of New Egypt finished second in a modified machine. Both sportsmen and modified cars compete in the weekly Sunday night races on New Egypt Speedway's quarter-of-a-mile hard top track.

The macadam oval will be the scene of its eighth speed program of the season tonight, starting at 8 o'clock. Coman is one of five drivers who have won feature events. Frank Myroncuk, New Egypt, and Joe Bossart, Little Falls, N. J., have copped two main events each. Coman, Stevens and Jerry Morese of Newark have one feature race victory each to their credit.

Bill Dougherty of Palmyra and Myroncuk had more than their share of tough luck last week. Dougherty led the feature for 22 laps and then had to withdraw from the race because of engine trouble. Myroncuk crashed into a fence in the first heat, inflicting extensive damage to his car. Both Dougherty and Myroncuk are expected back in action tonight, along with a stellar field of other drivers.

Three heats, two semi-finals, a consolation race and the 25-lap feature will comprise tonight's NASCAR-supervised program.

## New Egypt Racing Win To Stevens

NEW EGYPT—Howard (Stubby) Stevens of New Egypt scored his second feature race victory of the New Egypt Speedway stock car season Sunday night. Stevens piloted his modified stock car to triumph in the 25-lap feature event. Second across the finish line was Augie Moschera, also of New Egypt and leader of the modified division in season's total points with 308.

Joe Bossart, the flying sailor from Little Falls, N. J., finished third in the feature, followed by Tony Battle of Newark. Jim Moschera of New Egypt, leader of the season's sportsman division with 342 points, was fifth.

The Moschera brothers, Augie and Jim, are pacing the NASCAR point races to date. Frank Coman of Pequannock, N. J., is second on the sportsmen's list with 278. Stevens is second in the modified group with 282.

Dave Hulse, Charley Cregar and Jack Bellanto were heat winners Sunday night. Horace Smith and Cregar won semi-final races. Jack Hart copped the consolation event.

On July 17, New Egypt Speedway is planning its annual mid-season championship 50 - lap event, with a special trophy to the winner. The customary program of seven events, including a 25-lap feature, will take place this coming Sunday night, July 10.

7/15/55

## New Egypt's Point Leaders Are Brothers

**New Egypt** — The point leaders at New Egypt Speedway so far this season are the flying Moschera brothers, Jimmy and Augie, both of New Egypt. Jimmy is pacing the sportsmen's division of the stock car competition with 342 points. Augie is the modified car leader with 308 points. Neither brother has won a feature race yet this year but both have piled up enough points to top their respective divisions.

Both Moschera brothers will be in action Sunday night when racing resumes at New Egypt Speedway. The first event will start at 8 o'clock. The usual three heats, two semi-finals, consolation race and 25-lap main event will be on tap.

New Egypt's annual mid-Summer championship 50-lap race, with a special trophy to the winner, is set for July 17, a week from Sunday. All of the drivers who compete regularly at New Egypt are looking forward to this event.

The season's point leaders to date are as follows:

**Sportsmen:** Jim Moschera, 342 points; Frank Coman, Pequannock, N. J., 278; Len Gould, Newark, 238; Jack Hart, Chester, Pa., 136.

**Modified:** Augie Moschera, 308 points; Howard (Stubby) Stevens, New Egypt, 282; Joe Bossart, Little Falls, N. J., 236; Lambert Parks, Riverside, 168; Otha Johnson, Hornerstown, 166; Frank Myroncuk, New Egypt, 148.

## New Egypt Point Race Continues

**NEW EGYPT** — The spirited battle for points at New Egypt Speedway will continue tonight under the lights. The first race on the seven-event program will begin at 8 o'clock.

New Egypt's Moschera brothers, Augie and Jim, are pacing the point parade in spite of the fact that neither has won a feature race. Jim Moschera has piled up 342 points in his sportsman stock car. Brother Augie is the leader of the modified division with 308 points.

Frank Coman of Pequannock, N. J., is second in the sportsmen class with 278 points. Howard (Stubby) Stevens, popular New Egypt pilot, is challenging Augie Moschera's lead in the modified division. Stevens has 282 points.

The first sportsman car and the first modified machine across the finish line in tonight's 25-lap feature each will score 50 points.

Three heat races, two semi-finals and a consolation event are carded before the feature takes place on the quarter-of-a-mile macadam oval.

Tonight's card will be the last before New Egypt Speedway's annual mid-Summer championship 50-lap race. The 50-lap classic is set for next Sunday night, July 17. A special trophy will be awarded to the winner of the mid-Summer championship event.

## New Egypt Speedway Cards 50-Lap Race

**NEW EGYPT** — The annual mid-Summer championship 50-lap event will feature Sunday night's stock car racing card at New Egypt Speedway. With the feature being twice the usual distance, there will be double points awarded. The first sportsman car and first modified type car across the finish line each will receive 100 points.

Point leaders to date at New Egypt Speedway are the Moschera brothers, Augie and Jim, both of New Egypt.

Sunday night's program will begin at 8 o'clock at the quarter-of-a-mile macadam oval.

# 50-Lap Feature Tonight At New Egypt Speedway

The mid-Summer championship 50-lap race for sportsmen and modified stock cars will feature tonight's action under the lights at New Egypt Speedway. The program will get underway with the start of the first qualifying heat at 8 o'clock.

Track Manager Anthony Flach has arranged for a special trophy to be presented to the winner of tonight's feature.

Inasmuch as the 50-lap distance is twice the usual main event route, there will be double points awarded tonight. Leaders in the NASCAR point race to date are the Moschera brothers, Jim and Augie, of New Egypt. Jim is the sportsman division pacesetter with 342 points. Augie tops the modified car pilots with 308 points. Neither Moschera has won a feature race but both have placed high enough each week to accumulate valuable points.

Jim Moschera's lead over Frank Coman of Pequannock, N. J., is by 64 points. Augie is only 26 points ahead of Howard (Stubby) Stevens, another New Egypt

speedster. Thus either Coman or Stevens, or both, could step into first place tonight.

Normal point procedure calls for the first sportsman finisher and the first modified car across the finish line to score 50 points each. Tonight will be double—100 points for each first finisher.

The increase in points at stake is expected to attract a record field of drivers tonight. Among those expected, in addition to Coman, Stevens and the Moschera boys, are: Frank Myroncuk, New Egypt; Len Gould, Newark; Jack Hart, Brookhaven, Pa.; Joe Bossart, Little Falls, N. J.; Lambert Parks, Riverside; Otha Johnson, Hornerstown; Al Wardell, Lakewood; Chris Dorey, Belmar; Charlie Birdsall, Point Pleasant; Dave Hulse, Point Pleasant; Ed Soden, Red Bank; Pete LaVance, Spring Lake; Bernie Prentice, Neptune City; Bill Deskovich, Dover; Jack Bellinato, Newark; Len Brown, Hope; Bill McCarthy, Red Bank; Tom Clark, Red Bank; Ralph Perkins, Trenton; Ralph

Sheeler, Paterson; Walt Tompkins, Elizabeth; Johnny Tiesl, Roebling; Eddie Judge, Kearny; Jerry Morese, Newark; Horace Smith, New Egypt; Ike Cottrell, New Egypt; Dave Harris, Lakewood, and Bill Dougherty, Palmyra.

# New Egypt 50-Lap Win For Allison

NEW EGYPT — Don Allison of Philadelphia piloted his sportsman stock car to victory last night in New Egypt Speedway's mid-Summer championship 50-lap feature race.

Charley Cregar of Wilmington, Del., at the wheel of a modified car, finished second in the feature.

Allison and Cregar thereby picked up 100 points each in the NASCAR scramble for season's honors. Points were doubled because of the feature being twice as long as usual.

Otha Johnson of Hornerstown finished third in the feature, followed by Jimmy Moschera, New Egypt, and Howard (Stubby) Stevens, also of New Egypt.

Heat winners were Lambert Parks, Riverside; Tony Battle, Newark, and Horace Smith Jr., New Egypt. Jim Moschera won the consolation race.

# Coman Risks Season Lead At New Egypt

NEW EGYPT — Frank Coman of Pequannock, N. J., will risk his newly-acquired season's point lead Sunday night at New Egypt Speedway. Coman moved into the sportsman division lead of the stock car competition last week with 416 points to Jim Moschera's 400. Jimmy, who hails from New Egypt, was the previous sportsman leader. He will try to regain the top berth Sunday night.

Augie Moschera, brother of Jim, is the modified car point leader with 392. Howard (Stubby) Stevens, also of New Egypt, is second with 374 and Joe Bossart, Little Falls, N. J., third with 236. Len Gould, Newark, is third in the sportsman standing with 362.

Sunday night's seven-event card under the New Egypt Speedway lights will begin at 8 o'clock.

# New Egypt Trio Trying For 3d Win

**NEW EGYPT** — Three drivers— Frank Myroncuk, Howard (Stubby) Stevens and Joe Bossart — will be trying for their third feature race victory of the New Egypt Speedway season tonight. The tenth program of the year on the quarter-of-a-mile macadam oval will begin at 8 p. m.

Myroncuk and Stevens, both of New Egypt, and Bossart, who hails from Little Falls, N. J., have won two feature races each. Single victories in main events have been scored by Jerry Morese, Newark; Frank Coman, Pequannock, N. J., and Don Allison, Philadelphia.

All of these drivers — and a flock of others, too — are expected to be on hand when tonight's program starts. There will be three qualifying heats, two semi-finals and a consolation event before the 25-lap feature takes place. All of the action will be under the lights. New Egypt Speedway offers stock car racing every Sunday night during the outdoor season.

7/24/55

## Point Leaders

Augie Moschera, New Egypt, and Coman currently are leading the scramble for season's NASCAR point laurels. Since the season opened back on May 1, Augie has totaled 382 points to lead the modified car pilots. Coman is the sportsman leader with 416 points to Jim Moschera's 400. Each week the first modified machine across the finish line receives 50 points. The first sportsman finisher also collects 50 points.

Such capable drivers as Myroncuk, Stevens and the Moschera brothers give New Egypt fans plenty of cause to cheer. Myroncuk is the season's point leader at Wall Stadium, Belmar, where he has accumulated 388 points to Bill McCarthy's 368. At his home track, New Egypt, Myroncuk is sixth in the modified division. Frank hopes to climb a few notches tonight. He has been plagued with "crash" trouble for the past few races at his home speedway.

Expected to be in the thick of tonight's competition are: Lenny Gould, Newark; Jack Hart, Chester, Pa.; Charley Cregar, Wilmington, Del.; Lambert Parks, Riverside; Otha Johnson, Horners-town; Dave Harris, Lakewood; Ralph Sheeler, Paterson; Horace Smith, New Egypt; Bill Dougherty, Palmyra; Ike Cottrell, New Egypt; Dick Barnett, Jersey City; Tony Battle, Newark; Jack Bellinati, Jersey City; Walt Tompkins, Elizabeth; Johnny Tiesi, Roebbing; Eddie Judge, Kearny, N. J.; Dave Hulse, Point Pleasant; Ralph Perkins, Trenton, and Tom Clark, Red Bank.

# New Egypt Racing Win For Harris

**NEW EGYPT** — Dave Harris of Lakewood crashed the winner's circle last night at New Egypt Speedway. He piloted his modified stock car to first place in the 25-lap feature race. The card was interrupted by rain between the third heat and first semi-final.

Harris was followed across the finish line by four other modified cars. They were driven, in order, by Ike Cottrell, New Egypt; Howard (Stubby) Stevens, also of New Egypt; Charley Cregar, Wilmington, Del., and Lambert Parks, Riverside. The first sportsman car to finish was piloted by Frank Coman of Pequannock, N. J. He placed sixth in the feature and retained his season's sportsman point lead.

Frank Myroncuk, New Egypt, won the first semi-final, followed by Stevens and Coman. Jack Hart, Chester, Pa., copped the second semi-final, with Joe Bossart, Little Falls, N. J., second and Harris third.

Heat winners were Ed Seigler, Keyport; Harris and Bossart. Stevens and Cottrell chased Seigler home in the first heat. Cregar and Bud Reed of Jobstown were second and third, respectively, in the second heat. Otha Johnson of Horners-town was runnerup to Bossart in the third heat, with Hart third.

The scheduled consolation race was cancelled because of the rain interruption.

7/25/55

## Bids For Point Lead

Howard (Stubby) Stevens

## Stevens Tries For Point Top At New Egypt

NEW EGYPT — Howard (Stubby) Stevens will try to overhaul Augie Moschera Sunday night in an all-New Egypt battle for the modified division point lead at New Egypt Speedway. Stevens currently trails Moschera by four points, 474 to 470, in the season's scramble at the quarter-of-a-mile macadam track. Stock cars of both types, modified and sportsman, will tangle in Sunday night's action. The seven-event program will start at 8 o'clock.

Frank Coman, Pequannock, N. J., has a commanding lead in the sportsman division. He has piled up 532 points against runner-up Len Gould's 394. Gould hails from Newark.

## New Egypt Win Is Goal Of Cottrell

NEW EGYPT—Despite a late start, Ike Cottrell is slowly but surely speeding his way into the New Egypt speedway point picture. He will continue tonight his bid to gain on the modified division leaders in the NASCAR-supervised stock car competition. Tonight's card will start at 8 o'clock on the quarter-of-a-mile hard top track.

Cottrell's car wasn't ready for the start of the New Egypt season. He didn't join in the every-Sunday-night action until four or five weeks ago. Last Sunday Ike enjoyed one of his most successful evenings. He won the first heat and the first semi-final and finished fourth in the 25-lap feature. He will be bidding for his first main event win of the year tonight.

Cottrell is one of several home area drivers who compete regularly on the New Egypt oval. The others include the high-flying Moschera brothers, Augie and Jim; Frank Myroncuk, president of the New Egypt Stock Car Drivers' Association; Howard (Stubby) Stevens, Horace Smith and Otha Johnson. The Moschera boys, Myroncuk, Stevens, Cottrell

and Smith are from New Egypt. Johnson is from nearby Horners-town.

### Cavallero Ready

Opposing the home town contingent tonight will be leading NASCAR pilots from all sections of New Jersey and also from nearby Pennsylvania and Delaware points. One of the Pennsy drivers is Tony Cavallero of Bristol.

Augie Moschera leads the modified division race for the season with 474 points. He is being closely pressed by Stevens, who has 470 points and could take over the top position tonight. Dave Harris of Lakewood is third on the modified list with 428.

Frank Coman, Pequannock, N. J., is atop the sportsman field with 532 points. His closest rival — Len Gould of Newark — has 394 points. Jimmy Moschera is third with 386 and Jack Hart of Chester, Pa., fourth with 356.

The first modified car and the first sportsman car across the finish line in each feature race receives 50 points. Second car of each type to finish receives 48 points, third 46 points and so on down the line. Last week Coman finished fifth in the feature but still added 50 points to his season's total. The four cars finishing ahead of him were modified machines—driven by Charley Cregar, Harris, Stevens and Cottrell.

Three qualifying heats, two semi-finals, the 25-lap feature and possibly a consolation race will comprise tonight's program.
